WARRANT TO APPRAISERS.

Estate of Henry Shimer Deceased.

STATE OF ILLINOIS,

In County Court

Term, A. D. 1895

Carroll County.

The People of the State of Illinois to

Griffith and Elijah Bailey

of the County of Carroll and State of Illinois, GREETING:

This is to authorize you, jointly, to appraise the goods, chattels, and personal estate of Henry Shimer late of the County of Carroll and State of Illinois, deceased, so far as the same shall come to your sight and knowledge, each of you having first taken the oath hereto annexed; a certificate whereof you are to return, annexed to an Appraisement Bill of said goods, chattels and personal estate, by you appraised, in dollars and cents; and in the said bill of appraisement you are to set down in a column or columns, opposite to each article appraised, the value thereof.

WITNESS,

A. B. Adams Clerk of the County Court of Carroll County, and the seal of said Court, this Third day of August 1895

A. B. Adams Clerk.

OATH OF APPRAISERS.

We, and each of us, do solemnly swear, that we will well and truly, without partiality or prejudice value and appraise the goods, chattels and personal estate of Henry Shimer deceased, so far as the same shall come to our sight and knowledge; and that we will in all respects perform our duties as appraisers, to the best of our skill and judgment.

Subscribed and sworn to, this Third day of August A. D. 1895, before me.

J. M. Greiley,  
Hugh J. Griffith  
Elijah Bailey

PLEASE READ THIS LAW.

By an act of the Legislature of this State, in force July 1, 1872, it is declared that "the widow, residing in this State, of a deceased husband, whose estate is administered in this State, whether her husband died testate or intestate, shall, in all cases, in exclusion of debts, claims, charges, legacies and bequests, except funeral expenses, be allowed as her sole and exclusive property forever, the following, to-wit: The family pictures and the wearing apparel, jewels and ornaments of herself and her minor children; school books and family library of the value of one hundred dollars; one sewing machine; necessary beds, bedsteads and bedding for herself and family; the stove and pipe used in the family, with the necessary cooking utensils (or in case they have none, fifty dollars in money; household and kitchen furniture to the value of one hundred dollars; one milch cow and calf for every four members of the family; two sheep for each member of her family and the fleeces taken from the same, and one horse, saddle and bridle; provisions for herself and family for one year; food for the stock above specified for six months; fuel for herself and family for three months; one hundred dollars' worth of other property suited to her condition in life, to be selected by the widow." By the same act it is directed that the appraisers shall make out and certify to the County Court, an estimate of the value of each of these articles of specific property allowed to the widow.

On this page will be found a blank to be filled and signed by the Appraisers for this purpose. Much difficulty is occasioned in many instances by Appraisers mistaking the ESTIMATE FOR THE WIDOW as part of the appraisement. It is NOT A PART OF THE APPRAISEMENT, and it is no matter whether the Estate has the particular articles mentioned in the following table, or whether there is nothing of the sort among the property of the Estate. The appraisers will take each item in its order, and estimate what it ought to be worth, and what it would be fair to allow the widow therefor, and then set down the estimated value in the columns headed DOLLARS, CENTS. Do not pass any item by. If the Estate has not got those articles, the widow can take their estimated value in other things or in cash. Don't alter the printed amounts in the columns, as they are established by law, and cannot be changed.

Having finished your estimate, foot it up, and that footing will be the amount of the widow's allowance, which she can take in the above articles, if the Estate has them, or in any other things at the appraised value, or in money.

Recollect that the above estimate is not appraising. Having completed the estimate, go on and appraise EVERY article of personal property belonging to the Estate, OMITTING NOTHING, and set them down with their prices in the Appraisement Bill following.

The Appraisers having nothing to do with Notes, Accounts, Stocks in Companies, or any other papers; as they cannot be appraised, such things must be left out of the Appraisement Bill entirely. They are proper matters to be listed in the inventory, filed by the Executor or Administrator, which is a separate matter from the Appraisement Bill.

APPRAISERS' ESTIMATE OF THE VALUE OF PROPERTY ALLOWED TO THE WIDOW.

We, the undersigned, appraisers appointed by the Judge of the County Court of Carroll County to appraise and value the goods, chattels and personal estate of Dr. Henry Shimer deceased, do hereby make and certify to said Court the following estimate of the value of each article of specific property allowed by law to the widow, for herself and family, to-wit:
